

## PICK UP THE SLACK!

---

- The perfect equipment to offer an introduction to slacklining in your community. Walk them through the challenge by including tailored information panels to your project.
- Optimal for the entire family, this stunning object offers 3 distinct levels of difficulties through various lengths, widths and flex.
- Made from galvanized steel wires covered with polyester yarn, our slacklines are extremely resistant, durable and almost Indestructible.
- Combine our 3 Slacklines for a unique piece.
  - Slack12 : 12' long x 3.25" wide
  - Slack15 : 15' long x 2,5" wide
  - Slack18: 18' long x 2" wide
