

THE BASE & THE BASECAMP BOULDER

8 feet high Urban Boulders

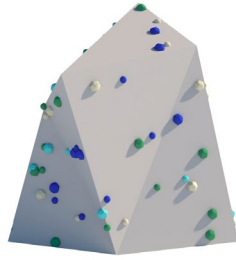

- Our smallest Urban Boulder, with its 10 climbing surfaces, is ideal for young kids and school settings.
- Safe and fun, kids can ascend this freestanding piece without limitations.
- Composed of 75 grips divided in 3 routes it is a great practice field.
- With 120 grips and 4 routes, the Basecamp is a great introduction for those learning to climb.
- Offering 23 climbing surfaces, many climbers can challenge themselves at the same time.
- Ideal for schools, this piece is designed to offer a lower peak for younger kids.
