

The Aura Park | Aerial Loop Trio

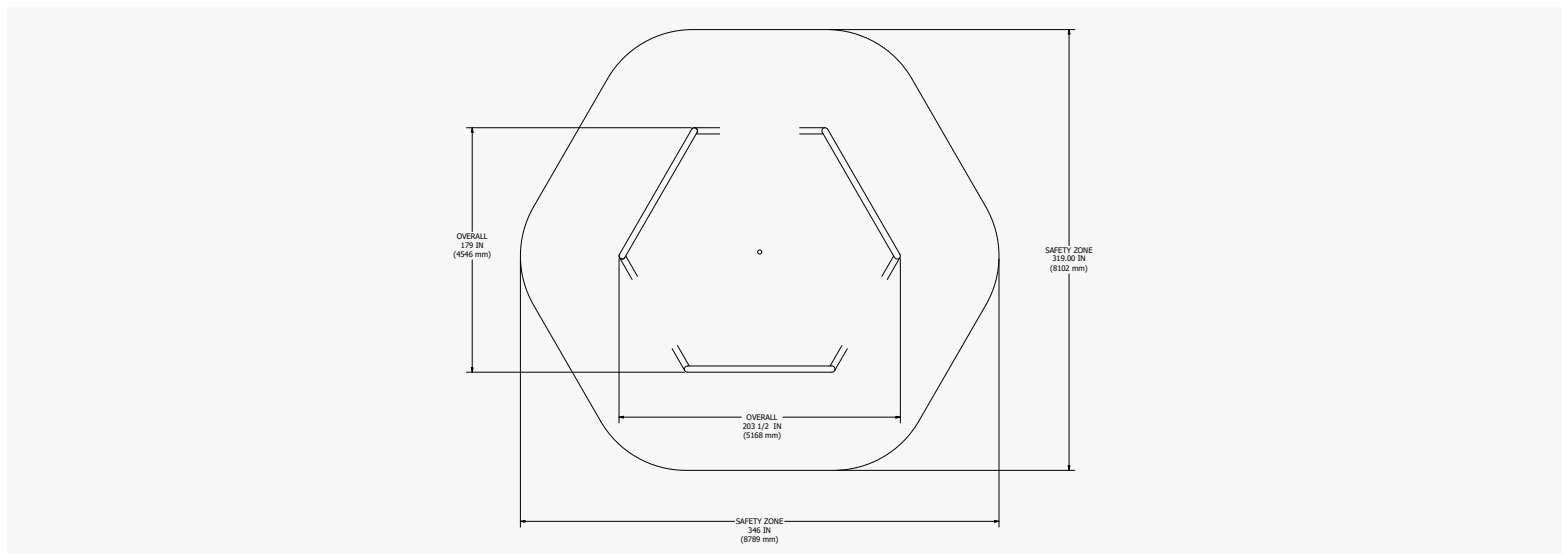

Available Summer 2026

Sky's the Limit

The elegant curves of the Aerial Loop Trio rise 12 feet high and 17 feet wide, inviting teen girls to climb, swing, and express themselves through playful, gym-inspired motion.

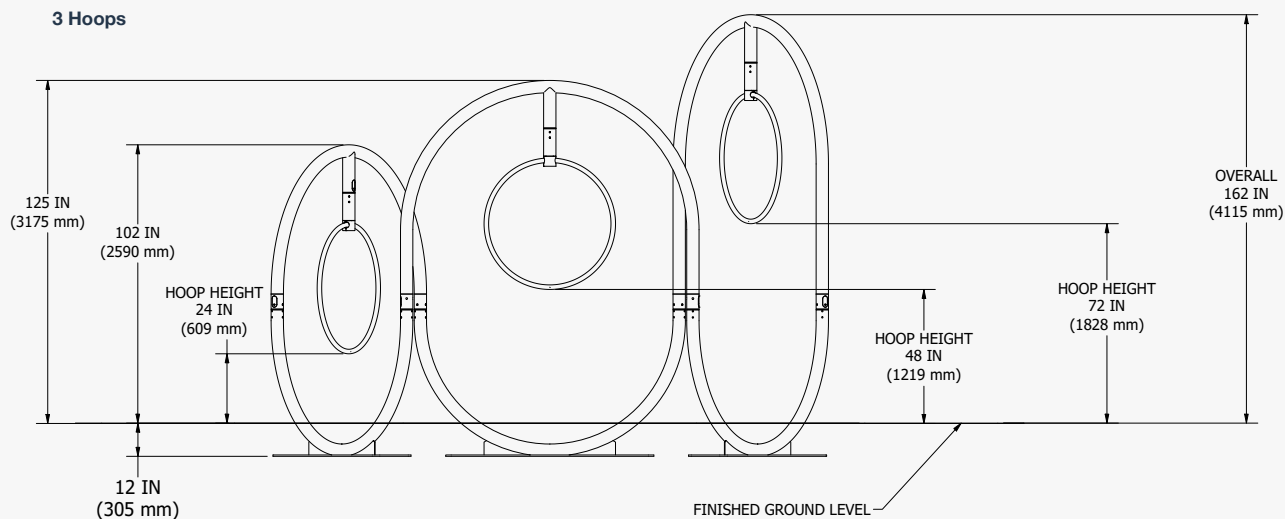

Configurations: The Trio can be customized with a choice of aerial elements such as **hoops**, **trapeze**, or **rings**, allowing each park to create its own unique experience.

The Aura Park | Aerial Loop Duo

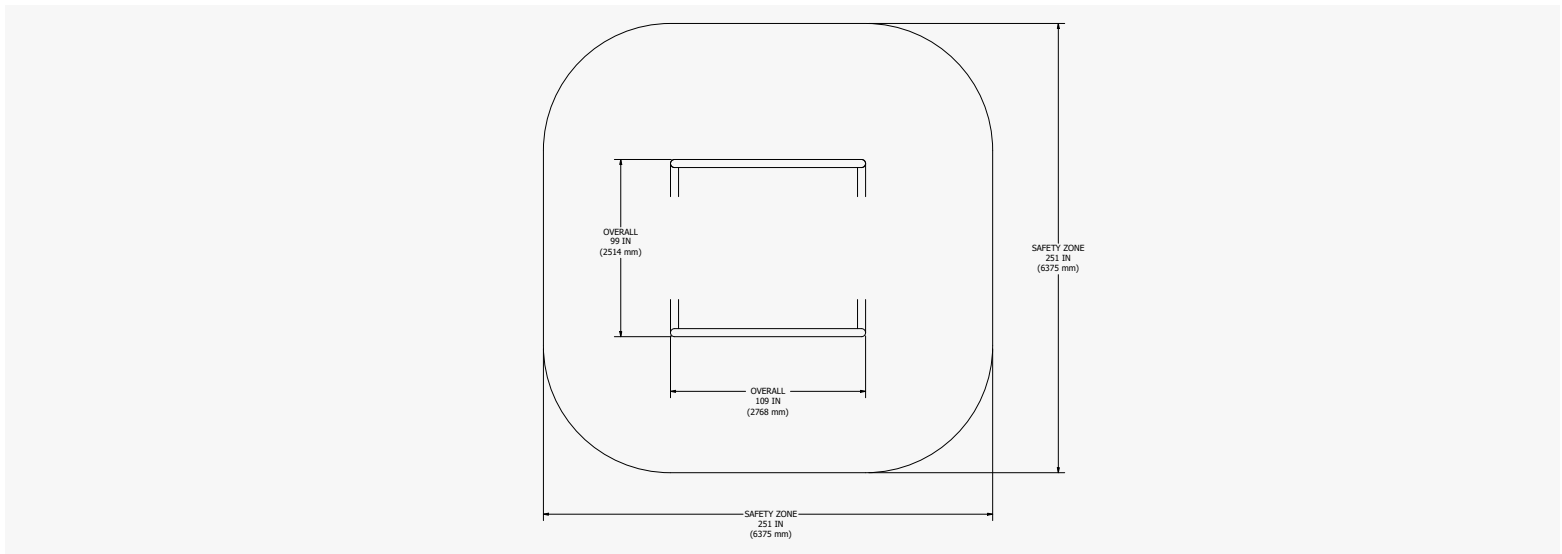

Available Summer 2026

Take a Swing

The Aerial Loop Duo stands slightly smaller, with two graceful arches rising to 10 feet high and 8 feet wide. It invites teen girls to climb, swing, and explore movement with confidence.

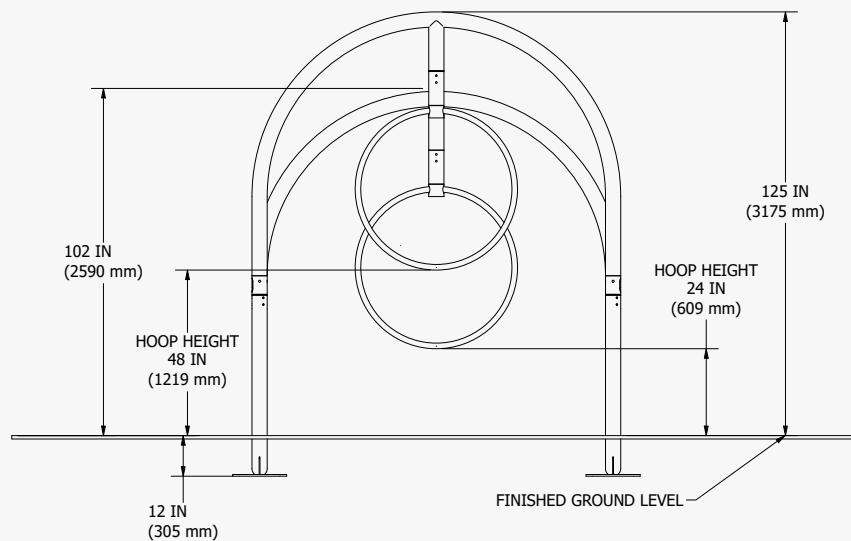

Configurations: Like the Trio, the Duo can be fitted with a choice of aerial elements such as **hoops**, **trapeze**, or **rings**, offering a flexible, gym-inspired experience tailored to any park.
